The new five-year Revolving Credit Facility amends and restates the previous revolving credit facility dated March 3, 2016 to, among other things: (i) extend the maturity date from March 3, 2021 to the earlier of (A) the date that is ninety-one (91) days prior to maturity of the 5.50% senior notes, due June 1, 2024, of Suburban Propane Partners, L.P. and Suburban Energy Finance Corporation (unless the notes have been refinanced prior to such date) and (B) March 5, 2025; (ii) lower borrowing costs; (iii) amend certain affirmative and negative covenants, including increasing the maximum permitted consolidated leverage ratio from 5.50x to 5.75x.
